HOW SEHAT WORKS

From symptom to prescription, in three steps

1. Find your doctor

Search by specialty, symptom or name. Compare fees, experience and verified reviews before you choose.

2. Book or consult instantly

Reserve an in-clinic slot in 3 taps, or start a video, audio or chat consult right now — matched in under 60 seconds.

3. Everything, saved

Signed e-prescriptions and reports land in your health locker. Order medicines or book a test in one tap.

Can't wait for an appointment?

Consult Now matches you to the next available doctor across 20+ specialties — video, audio, or chat, from wherever you are. Works on 3G, with audio fallback.

WHY SEHAT

Built for trust, not just convenience

Verified doctors only
Every profile is manually checked against NMC registration before it goes live. No exceptions.

Reviews you can trust
Only patients who completed a consultation can leave a review — no fake ratings.

Your records, private
Encrypted end to end, visible only to you and your doctor. We never sell health data.

One account, whole family
Manage up to 6 family members — bookings, prescriptions and history, kept separate.

PATIENTS SAY

Real consults, real relief

★★★★★

"Got a dermatologist on video the same evening, cream arrived next day. Didn't need to leave the house once."

Priya S. · Bengaluru

★★★★★

"I keep my dad's diabetes follow-ups and my kids' pediatrician visits in one app now. No more paper prescriptions."

Rakesh K. · Delhi

★★★★★

"Video dropped on my 3G but it switched to audio automatically and the consult carried on without a hitch."

Sunita M. · Indore
